

# Ed Sheeran – The A team

[Verse 1]

**G 8**

White lips, pale face

**Em 2**

Breathing in snowflakes

**C 2 G 2 C 2**

Burnt lungs, sour taste

**G 8**

Light's gone, day's end

**Em 2**

Struggling to pay rent

**C 2 G 4**

Long nights, strange men

[Pre-Chorus]

**Am 4**

And they say

**C 4**

She's in the Class A Team

**G 4**

Stuck in her daydream

**D 4**

Been this way since 18

**Am 4**

But lately her face seems

**C 4**

Slowly sinking, wasting

**G 4**

Crumbling like pastries

And they scream

**D 4**

The worst things in life come free to us
